OBJECTIVE

To acquire valuable industry knowledge and hands-on experience in a dynamic work environment.

QUALIFICATIONS SUMMARY

- Experienced and dynamic PHP Developer proficient in developing, maintaining, and optimizing advanced web-based PHP applications for portal and premium service platforms.
- Proficient in utilizing modern tools to create tailored solutions for client interfaces, workflows, and data analysis libraries. Capable of advising on business decisions with a focus on technical aspects such as performance, reliability, scalability, and security. Skilled in writing clean, object-oriented PHP code and optimizing SQL queries for efficiency.

EXPERIENCE

The SR Design (Ahmedabad, May 2024 - till present)

Web Developer

Experienced Web Developer specializing in front-end and back-end development. Skilled in HTML, CSS, Bootstrap, Tailwind, and JavaScript to build responsive web applications. Proficient in UI/UX design using Figma, Photoshop, and Adobe XD. Passionate about optimizing performance and enhancing user experience.

Wolves Creaa (Ahmedabad, August 2022 - April 2024)

Website and Graphic Designer

I specialize in website development and design, managing both the technical aspects of web hosting and data uploads, as well as the creative side of social media post design within graphic design. My skills encompass building and maintaining websites, ensuring smooth hosting operations, and creating engaging graphics tailored for social media platforms.

Foxagle Web Solution (Rajkot, June 2020 - July 2022)

Website and Graphic Designer

Proficient in web design, including web page development and graphic design, over the past two years. Experienced in creating catalogs, social media posts, and engaging banners. Skilled in both web and graphic design, offering comprehensive digital solutions.

Steelwell Industries (Decowell) (Rajkot, July 2018 - March 2020)

Graphic Designer

Proficiently handled graphic design projects over the past two years, including social media posts, profile designs, brochure creations, and a variety of other graphic tasks. Skilled in diverse graphic design work, consistently delivering high-quality results across multiple projects.
