

KULDIP MORI

MERN STACK DEVELOPER

Kuldipmori16@gmail.com | +91 9510539399 | Surendranagar, India

Linked In: 

Summary

MERN Stack Developer with 6 months of hands-on internship experience building responsive, full-stack web applications using MongoDB, Express.js, React.js, and Node.js. Proficient in developing RESTful APIs, integrating third-party services, and implementing secure, scalable backend solutions. Skilled in modern frontend development with React, including state management and UI optimization. Known for writing clean, maintainable code and working effectively in Agile environments. Quick learner with a strong drive to improve product performance and user experience.

Skills

- **Languages & Frameworks:** JavaScript, TypeScript, Node.js, Express.js, React.js, MongoDB, HTML5, CSS3
- **Frontend Development:** Responsive Design, Component-Based Architecture, React Hooks, Redux, Tailwind CSS
- **Backend Development:** RESTful APIs, Authentication (JWT), Middleware, MVC Architecture
- **Database:** MongoDB, Mongoose, SQL (basic)
- **Tools & Technologies:** VS Code, Postman, Git, GitHub, MongoDB Compass
- **Payment Integration:** Stripe (basic)
- **Testing:** Postman (API testing)
- **Other:** Environment Variables, Axios, Shadcn

Experience

Aglowid IT Solutions Pvt. Ltd | Ahmedabad

MERN Stack Developer (01/2025 - Current)

- Contributed to the development of 3+ full-stack web applications during internship, improving development efficiency by implementing modular components and following clean architecture principles.
- Integrated numerous REST API endpoints across multiple domains (academy, schedule, feniex), ensuring seamless real-time data flow and secure communication
- Developed highly responsive user interfaces using React.js with Redux, enhancing performance and reducing UI-related bugs.
- Actively contributed to Agile sprints, completing 100% of assigned tasks within sprint goals using Azure Boards.

Education

RK University | Rajkot

Bachelor of technology in Computer Engineering

Graduated: May 2025

Languages

- **Gujarati:** Native
- **Hindi:** Proficient
- **English:** Proficient

Projects

Feniex Dashboard

- Worked on the **Feniex Dashboard**, a live project, as a React.js intern.
- Converted Figma designs into responsive and reusable React components with clean, maintainable code.
- Integrated backend APIs to fetch and display dynamic data across various dashboard modules.
- Designed an elegant, responsive UI with Shadecn components to ensure a smooth and accessible user experience.

Coaching Academy Dashboard

- Developed a full-stack Coaching Academy Dashboard using React.js, Node.js, Express.js, and MongoDB to manage academic operations.
- Implemented JWT-based authentication and role-based access for Admins, Teachers, Students, and Staff.
- Structured the database with separate collections for Admins, Teachers, Students, Staffs, Exams, Batches, and Results to ensure organized data management and smooth user experience.

ScheduO: Call Booking

- Developed a modern call booking website using Next.js with server-side rendering for fast performance.
- Integrated Clerk for secure user authentication and role-based access.
- Used Prisma with MongoDB to manage user data, booking slots, and availability in real time.
- Designed an elegant, responsive UI with Shadecn components to ensure a smooth and accessible user experience.

Admin-Dashboard

- Developed a dynamic Admin Dashboard using React.js with reusable components and a modern UI.
- The admin can view the employee list, add new employees, and assign tasks
- Employees can mark tasks as completed, allowing simple task tracking functionality.

Tic-Tac-Toe Game

- Built a classic Tic Tac Toe game using HTML, CSS, and JavaScript with a responsive and clean UI.
- Implemented game logic for player turns, win/draw detection, and restart functionality.
- Enhanced user interaction with visual effects and smooth transitions for a better experience.

Personal Portfolio

- Developed a personal portfolio website using HTML, CSS, and JavaScript while I was a student.
- Showcased my projects, skills, and contact information in a clean and responsive layout.
- Added smooth animations and interactive elements to enhance user experience.
