PROFILE

I'm Komal Joshi, a versatile Web Developer, Graphic Designer, and SEO Expert with a passion for building clean, high-performing websites and visual content that drive results. I combine creative design, technical skill, and smart SEO strategies to deliver impactful digital experiences that elevate brands and grow online visibility.

WORK EXPERIENCE

sunrise gilts & securities private limited 2025 - PRESENT
web developer

I am currently working in the following areas, combining creativity, technical expertise, and strategic thinking to deliver high-impact digital solutions:

Website Development

- Design and develop responsive, SEO-friendly websites using HTML, CSS, JavaScript, PHP, and WordPress.
- Ensure cross-browser compatibility, fast loading speed, and mobile responsiveness.
- Implement backend functionalities and database integration with MySQL.

UI/UX Design

- Create modern, user-friendly interfaces using tools like Figma and Canva.
- Conduct user research and wireframing to ensure seamless user experiences.
- Focus on accessibility, clarity, and conversion-focused layouts.

Search Engine Optimization (SEO)

- Perform on-page and off-page optimization to boost website rankings.
- Use SEO tools like Google Search Console, Google Analytics, and SEMrush.
- Create and implement keyword strategies, meta tags, and technical SEO fixes.

Graphic Designing

- Design branding materials including logos, brochures, banners, and social media creatives.
- Proficient in Adobe Photoshop, Illustrator, and Canva.
- Maintain visual consistency and brand identity across all platforms.

ITech Solutions 2022- 2023
WordPress Developer

- Developed custom WordPress websites using themes, plugins, and custom coding to meet client-specific requirements.
- Customized and extended existing themes using HTML, CSS, JavaScript, and PHP for responsive and user-friendly designs.
- Created and managed dynamic content using Elementor, WPBakery, and other popular page builders.
- Optimized website performance by implementing caching, image compression, and SEO best practices.
- Regularly maintained websites, performed updates, backups, and resolved bugs or compatibility issues.
- Built custom post types, taxonomies, and shortcodes to enhance site functionality and user control.
- Collaborated with designers and content creators to ensure seamless UX and consistent branding.
- Ensured all WordPress sites were mobile-friendly, cross-browser compatible, and accessible.
- Worked with tools like Yoast SEO, Google Analytics, and Search Console to monitor and improve site visibility.

EDUCATION

Bachelor of Arts 2020 - 2023
Maharaja Ganga Singh University
GPA: 60 /
