ABOUT ME

Experienced backend developer with 2+ years of experience working in the industry. Skilled in working and managing microservice architecture projects. Proficiency in working with Nodejs as well as its frameworks like Expressjs, Nestjs etc., with a strong understanding of cloud computing and DevOps principles.

WORK EXPERIENCE

2021-09 -
PRESENT

Silverwebbuzz PVT. LTD.

HiveCareer (NestJs / ReactJS / ReactNative)

- Our platform offers a comprehensive range of tools and resources to help you throughout your job search journey. From creating a standout resume to preparing for interviews, we've got you covered. Our job search engine allows you to filter through thousands of job listings from top employers around the world, and our matching algorithm ensures that you only see job opportunities that are a good fit for your skills and experience.

IPODekho (NodeJS / ReactJS / React Native)

- IPO Dekho gives all IPO news, details, information, alerts, and Live subscriptions which may be helpful to people who are interested to invest in the market and initial public offering (IPO), but not able to invest due to lack of information.

Digits (NestJS / AngularJS)

- Digits provide a platform where Number Plate dealers/private(seller) and Malaysian Government can middle ground to transact easily.
