Experience

React/Next.js Developer Intern

March 2025 – May 2025

Coders Boutique Pvt. Ltd.

Remote

- Built dynamic and responsive web pages using **Next.js** and **ShadCN UI** for interactive and consistent user interfaces.
- Integrated **Payload CMS** to create fully dynamic and customizable website content.
- Utilized **Supabase** for real-time database management, authentication, and secure user data handling.
- Collaborated closely with the development team, enhancing team communication and sharpening **React-based development skills**.

Software Developer Intern

September 2024 – January 2025

Gofermates

Remote

- Developed dynamic web applications using **Next.js** and **Supabase**.
- Enhanced application performance by optimizing **backend queries**.
- Worked in an Agile environment, **successfully completing 95%** of sprint tasks on schedule

Projects

Shrivardhan Stays [🔗](#) | *NextJs, TailwindCSS, Supabase and MongoDB*

- Developed a full-stack **Hotel Booking Website** with real-time **Booking** and **Availability Management**.
- Integrated **Razorpay** for secure transactions via UPI, Cards, and Netbanking.
- Designed optimized **Admin Panel** with MongoDB integration for dynamic updates about room availability.

Apna Electrician Shop [🔗](#) | *Next.js, TailwindCSS, Supabase and Razorpay*

- Designed **user authentication** and a **secure checkout** system.
- Implemented **product filtering** and **search capabilities**.
- Increased **user satisfaction** with intuitive navigation and a **seamless checkout process**.

News-WebApp [🔗](#) | *ReactJS, NewsAPI and Bootstrap*

- Designed a news aggregator site with **React.js** and **Bootstrap**.
- Implemented **news filtering** and dynamic content rendering.
- Fetched and displayed data from a **third-party API**.

Weather Checker - WebApp [🔗](#) | *HTML, CSS and JavaScript*

- Developed a weather forecasting app using **HTML**, **CSS**, and **JavaScript**.
- Integrated **OpenWeather API** to fetch real-time weather data.
- Displayed **multi-day forecasts** with responsive design.
