SUMMARY

Web Developer with 6 months of hands-on experience in JavaScript, React.js, and .NET Core. Passionate about building responsive, user-friendly web applications and eager to grow skills by solving real-world problems.

WORK EXPERIENCE

SkySoft EBS LLP.

Jan 2025- Jun 2025

Project : ERP(Sales,Procurement,Inventory and Finance)

- Developed a robust RESTful API using ASP.NET Core, implementing full CRUD operations
- Integrated with existing ASP.NET Core API
- Built responsive UIs with modern React features (hooks, functional components)
- Designed a scalable backend architecture with Entity Framework Core for database operations
- Implemented proper HTTP status codes, request/response validation, and error handling
- Built responsive frontend interfaces with React.js for sales and procurement modules
- **Key Technologies:** ASP.NET Core, Swagger/REST API, SQL Server, React.js

Web Developer – React.js & .NET API Integration:

- Assisted in building web applications using **React.js** and **JavaScript**
 - Worked with **.NET Core APIs** to fetch and display data dynamically
 - Followed best practices for clean and reusable code in JavaScript and React
 - Used **RESTful APIs** for communication between **frontend** and **backend** systems
 - Developed and integrated UI components using **React hooks**, **state management**, and **functional components**
-

EDUCATION

Diploma in Information Technology

2022 - 2025

R.C. Technical Institute, Ahmedabad

- Specialization in Web Development
 - enhancing problem-solving skills and continuously learning new technologies in the field of Information Technology, and building responsive web applications in the field of Information Technology.
 - **CGPA:7.15**
-

CORE TECHNICAL SKILLS

- React js
- Asp.net Core
- HTML / CSS / Javascript
- .Net Core Web API / Swagger
