PROJECTS

AVATCO Magento Developer	2022-2023
• Magento Odoo Ecommerce Project.	
Melissa SR. Magento Developer	2023 - present
• Melissa was born in 1979, with an inspiration straight from the sea. On the feet of French Riviera fishermen, we found the embryo that gave origin to the Aranha model. In little time, it caught on with Brazilians and became one of the most popular shoes around. In the last decade, Melissa has produced over 32 million pairs of the Aranha, which are now sold in more than 70 countries.	
Site SR. Magento Developer	2024 - present
• SITE has empowered businesses with secure-by-design solutions designed to drive innovation and growth	
Littlefarms SR. Magento Developer	2023 - present
• Little Farms is Singapore’s friendly neighbourhood market and cafe, specialising in the highest quality and freshest all-natural and organic produce, meats, seafood, dairy and grocery. • Little Farms is a mindful approach to healthy living. Let Little Farms be your go-to destination for carefully selected, ethically sourced food. In all we do, we want to make each day more rewarding, inspired and downright healthier.
