PROJECTS

WooCommerce Flash Offer Plugin

- Developed a custom WooCommerce plugin with 3 types of offers: **Flash Offers, Upcoming Offers, Special Offers**. Implemented dynamic discount logic, date-based scheduling, and shortcode rendering. Built with PHP, AJAX, and integrated with WooCommerce hooks.

Real Estate Management Plugin

- Created a custom WordPress plugin with a dedicated Property post type. Added support for property details such as highlights, amenities, nearby locations, and more. Designed user-friendly admin UI for property management. Enabled scalability for managing multiple real estate listings efficiently
