##### AHMEDABAD

03/2025 [Working]

Implementing SEO strategies to increase organic traffic. Analyzing website data and making actionable recommendations. Monitoring website performance and fixing any SEO-related issues. Coordinating with content and development teams to implement SEO changes.

#### Thevisiontech Digital Care LLP -

##### AHMEDABAD

07/2023 -01/2025

My experience includes developing and executing SEO strategies to increase organic traffic, analyzing website data, and making actionable recommendations. I collaborated with content and development teams to implement SEO changes, while also tracking progress and reporting results to senior management. My skills encompass a broad range of SEO areas, including keyword research, technical SEO, content optimization, SEO audits, and link building. I am also proficient in analytics, reporting, and competitor analysis, and I make it a priority to stay current with the latest industry trends.
