About Me

I am a qualified and professional web developer with two year of experience in database administration and website design. Strong creative and analytical skills

Work experience

PHP DEVELOPER - (INTERN) **05/2023 - 07/2023**
Institute of Advance Network Technology - (IANT)
Acquired practical knowledge of database management systems including MySQL, etc

Developed hands-on experience in building dynamic web applications using PHP, HTML, CSS, and JavaScript.

JR. PHP DEVELOPER **08/2023 - Present**
Communities Heritage Private Limited - (CHPL)
Identified and resolved bugs and issues in a timely manner, ensuring smooth and error-free user experiences.

Worked with MySQL databases to design and optimize database schemas, write queries, and ensure efficient data storage and retrieval

Project

**Fincasys, Adani Mundra, Shivalik
Smart Society**

- > smart society is a product of company
- > Smart society use makes society management easy
- > technologies : php, Ajax, css, html, mysql, bootstrap
