

Kamini Parmar

Full Stack Web & Hybrid Frontend Developer(3+ Yrs Experience)

I am a WordPress Developer with 3+ years of experience, specializing in creating responsive websites, dynamic layouts, and custom functionality. I also work as a Hybrid Frontend Developer using Ionic and Angular to build modern mobile-friendly applications. With strong knowledge of Laravel API integration, I connect front-end interfaces with secure and scalable backend systems. My focus is on clean UI/UX, performance optimization, and delivering user-friendly digital solutions for clients.
