Profile

Magento1 &2 Certified Developer:

https://www.credly.com/badges/1af25cc3-12fb-45d2-a52b-517883c684bb/public_url 🔗

I'm Naimish Joshi, a passionate and results-driven Magento Developer with over 12 years of hands-on experience in building, customizing, and optimizing eCommerce solutions. I specialize in Magento 2 development, having worked extensively on custom module creation, third-party integrations, performance tuning, and end-to-end eCommerce implementations.

In addition to strong technical skills, I bring a deep understanding of eCommerce workflows and a commitment to writing clean, maintainable code. I've also led teams, managed client communications, and taken projects from concept to launch with a strong focus on quality and deadlines.

Experience summary
