PROFESSIONAL SUMMARY

Innovative and detail-oriented Senior Web Developer with over 2 years of experience at CyberArt Solutions Pvt. Ltd. Expert in WordPress development, front-end technologies, and user-centered web design. Skilled in creating responsive, dynamic websites with custom themes, plugins, and optimized SEO performance. Strong command over Python, HTML, CSS, JavaScript, React, and PHP, with additional expertise in data visualization, cloud technologies, and full-stack web projects.

EXPERIENCE

CyberArt Solutions Pvt. Ltd - Pune, India

Senior Web Developer | January 2025 – Present

- Lead and manage WordPress website development for corporate and client projects, including theme customization, plugin integration, and SEO optimization.
- Implement eCommerce solutions using WooCommerce and design engaging UI/UX layouts aligned with client requirements.
- Coordinate with content and design teams to deliver visually appealing and functional websites.
- Supervise junior developers and ensure high-quality deliverables across multiple web platforms.

Web Developer | June 2023 – December 2024

- Designed and maintained multiple WordPress websites for clients, focusing on responsiveness, performance, and security.
- Developed custom WordPress themes using HTML, CSS, PHP, and JavaScript.
- Integrated third-party APIs, optimized website speed, and handled on-page SEO enhancements.
- Worked on database-driven applications using MySQL and AJAX.
- Managed deployment and maintenance on AWS and Azure cloud servers.
