Education

SAL Engineering College, Ahmedabad, Bachelor of Engineering (BE) in Information Technology 2019 – 2023

- CGPA: 9.1/10

Experience

Software Engineer, Biztech consulting & solutions, Ahmedabad July 2023 – Present

- Engineered and customized advanced **Magento 2 modules** using **PHP, Dependency Injection (DI), Plugins, and Observers**, enabling scalable and maintainable eCommerce solutions.
- Designed and implemented **custom product types, attributes, and admin UI components** (forms, grids, **Knockout.js bindings**) that improved operational efficiency and reduced **admin time by 40%**.
- Built automated **CSV import/export modules** to streamline bulk data migration, **reducing manual efforts by 80%** and minimizing human errors.
- Optimized **database queries, indexing, and caching**, **reducing average page load times by 30%** and enhancing overall site performance and SEO rankings.
- Resolved critical production issues across **orders, customers, and workflows**, ensuring 99.9% platform uptime and smooth business continuity.

Software Engineer Intern, Biztech consulting & solutions, Ahmedabad Jun 2023 – July 2023

- Assisted in developing and optimizing **web applications** using PHP, JavaScript, HTML, CSS, and SQL under senior developer mentorship.
- Built and enhanced **REST APIs** and contributed to database design, improving data exchange and application performance.
- Gained practical experience in **OOP, MVC frameworks, and responsive UI development** using jQuery and modern web standards.
- Collaborated closely with **cross-functional teams and clients** to deliver tailored solutions under **Agile (Scrum)**, contributing to **code reviews** and continuous improvement initiatives.

Achievements & Awards

- Awarded Best Product Excellence Award at Biztech Consulting Solutions for delivering high-quality and innovative Magento 2 solutions
- Recognized with the Best Performer Award for consistent top performance and commitment to project success
- Graduated as a College Topper (CGPA 9.1/10) at SAL Engineering College, Ahmedabad
