## EXPERIENCE

### Web Designer

Posimyth Innovation | 7 Years 2018 To Current

I have 7 years of experience at Posimyth Innovation, where I've worked across various front-end and WordPress development projects. Over the past 2 years, I have specialized in building custom WordPress widgets and designing plugins from Figma designs using React.js. Additionally, I have 5 years of experience converting Figma designs to HTML and developing Figma to WordPress pages using Elementor and Gutenberg page builders.

### Internship

Maxgen Technologies | 6 Months

- Proteina Pasta Management System Project Completed in Core Php
