Work Experience

PHP Developer

Consumer Sketch Information Pvt Ltd-Vadodara, Gujarat

Full-time

2 months notice period

August 2024 to Present • Full-time

List of projects I worked on.

Project 1: E-Commerce Merchandise Platform (NDA Client)

Developed major backend features for an online merchandise store using Laravel and MySQL.

- Implemented Basic and Advanced Search for products to help users find items quickly
- Built a News CRUD module for posting and managing store announcements
- Developed Products CRUD, including categories, pricing, and details management
- Created Pre-Order functionality for upcoming products
- Added Promotion features to manage discounts and offers
- Handled Stock and Inventory management, ensuring accurate product availability

Tech: Laravel, MySQL

Project 2: Lead-to-Project Management Portal (NDA Client)

Developed key modules for a portal used to manage the entire workflow, from incoming leads to project completion.

- Developed Lead CRUD for creating, updating, and organising new leads
- Implemented Lead Follow-up CRUD to track communication and progress
- Added functionality to assign leads to Business Analysts for further processing
- Built a Project CRUD to manage project details, timelines, and progress

- Created Project Reminder CRUD to notify teams about upcoming deadlines and tasks

Tech: Laravel, MySQL, Next.js
