Objective

Highly dedicated and performance-driven WordPress Shopify Developer with 4+ years of proven experience in building, optimizing, and maintaining dynamic, user-friendly websites for multiple organizations. Recognized for independently handling full-cycle web development — from wireframing and UI layout to coding, deployment, performance testing, and long-term maintenance. Expert in developing custom WordPress and Shopify solutions using Elementor, ACF, Liquid, and PHP, ensuring speed, SEO compliance, and scalability.

Technical Skills & Expertise

Front-end technologies:

HTML5 | CSS3 | Bootstrap | JavaScript jQuery | React.js (Beginner Level)

Backend Technologies

Core PHP | AJAX | MySQL Database, CMS Platforms, WordPress | Shopify | Wix | Drupal 7 & 8

Professional Experience

WordPress & Shopify Developer, Wemonde Pvt. Ltd.

Aug 2024 – Present

Leading development of multiple WordPress & Shopify websites using Elementor, ACF, and Liquid.

Enhanced website loading speed using GTMetrix and Core Web Vitals optimization.

Conducted security scans via Wordfence and performed regular malware cleanups.

Oversaw complete project deployment and performance tracking via Search Console.

Shopify Developer (Product-Based), Astonea Pvt. Ltd.

Feb 2024 – Aug 2024

Built and launched the entire GlowUp Cosmetics store independently on Shopify.

Created custom templates, sections, and schema with Liquid code.

Managed product setup, UI refinement, and post-launch optimization.

Conducted performance tests and implemented SEO-based site improvements.

WordPress & Shopify Developer, B9 Solutions

July 2023 – Jan 2024

Created and optimized multiple client websites using Elementor & Shopify.

Focused on fast loading, responsive design, and SEO improvement.

Managed website scans, database optimization, and malware fixes.

Web Developer, WebGuruz Technologies Pvt. Ltd.

June 2022– June 2023

Developed WordPress sites using Elementor and Avada.

Customized ACF fields and integrated plugins for dynamic functionality.

Worked on Shopify store customization and app integrations.

Junior WordPress Developer, MountCode Pvt. Ltd.

DEC 2021 – May 2022

Assisted in building Divi and Elementor-based WordPress websites.

Focused on front-end performance and cross-browser compatibility.

Trainee Developer, Hash Software Pvt. Ltd.

April 2021 – Nov 2021

Gained hands-on experience in core PHP, MySQL, and WordPress fundamentals.

Supported senior developers in building and maintaining company websites.
