WORK EXPERIENCE

Web Designer & Frontend Developer | **NexusLink Services India Pvt. Ltd** — Ahmedabad *Apr 2023 – Present*

- Managed UI of multiple international projects — translating Figma designs into responsive pages using HTML5, SCSS, Tailwind CSS, Vue.js, and Nuxt.js.
- Elevated to sole frontend developer on a Sweden-based transport platform — owned full admin system: dashboard, inventory, CRM & CMS using Bootstrap 5, JavaScript, and jQuery.
- Maintained strong SEO and Core Web Vitals scores through semantic markup and performance optimisation across all projects.
- Contributed to React and Next.js projects — adding UI components while preserving existing code structure and functionality.

Junior Web Designer | **Raindrops InfoTech** — Ahmedabad *Jan 2022 – Mar 2023*

- Designed and developed 10–13 custom WordPress themes from Figma — pixel-perfect and fully responsive.
- Built UIs with HTML5, CSS3, JavaScript, and jQuery; optimised for SEO, accessibility, and cross-browser compatibility.
- Handled maintenance, updates, and troubleshooting of client websites ensuring uptime and design integrity.

KEY PROJECTS

- Sweden — Transport Platform:** Sole frontend developer for dashboard, inventory, CRM & CMS on a machine/vehicle transport platform. *(Bootstrap 5, JS, jQuery, SCSS, Select2, Git)*
- Netherlands — Organisation Site:** Rebuilt organisation website with modern stack and GraphQL CMS content integration. *(Next.js, Tailwind CSS, Hygraph, GraphQL)*
- Denmark — Dining Booking Platform:** Built UI across two tech phases with daily designer collaboration for a chef and dining booking service. *(Nuxt.js, Shadcn UI, Tailwind CSS, SCSS)*
- Online — Newsletter Platform:** Full UI ownership with consistent Tailwind CSS design system. *(Vue.js, Tailwind CSS)*
